# FLUSHMETAL PARTITIONS

## FORTIVO

**Fortivo** is the ultimate European-style toilet partition designed to elevate both privacy and aesthetics.

Featuring innovative overlapping doors and pilasters, Fortivo ensures maximum solitude for users. The partitions are raised 4" above the floor, supported by a pedestal to create a sleek floating appearance.

For enhanced durability and strength, the aluminum headrail is securely fastened to the top of the pilasters, offering unmatched stability.

Upgrade your restroom with Fortivo, where design meets functionality for a truly premium experience!

- Pedestals are also offered in 6" and 9" heights
- Colors available from Formica's standard finishes
